

A few of the previous projects A1 Community Works Ltd has assisted in the past

Village Book - A Study of the History and Regeneration of Catterick Village

A copy has been given out free to all interested residents in the four villages. The book has been of great interest to past residents with copies going as far away as New Zealand, Australia, Alaska and America. There are still a number of copies available and would make great Christmas presents - please feel free to call in for an extra copy - or for a first copy if you haven't received yours yet. They remain free to residents; and only £8 for non-residents or as gifts.

18 Acre Field Project

Public meetings held to discuss the merits of developing the 18 Acre field. A working group was formed from interested residents.

Scout Hall Refurbishment Project

The A1CW team worked with the committee on a phased refurbishment programme to bring the facilities up to standard. Phase 1 included replacement of the windows and doors plus re-wiring of the hall. Phase 2 dealt with access to the building, adapting toilets, repairs to the roof and replacement of the kitchen.

Booth Hall

The A1CW team are working with the committee to replace the windows and doors and to undertake structural repairs, builders quotes are being compiled for the work and a funding application will soon be submitted.

Sports Field Entrance

The A1CW team have worked with the Catterick Village Sports Association to develop and improve the entrance to the facilities, this will improve the safety for users and residents. Work is now complete and A1CW has been pleased to play an active role in managing the project.
